Bonn, September 27th 2022

Dear parents,

we would like to invite your child to take part in the following activity:

Time: **Sunday, den Oktober 30th 2022, 11 to 13:00**

Place: **Meeting point: K7, Mallwitzstraße 9 – 11;** (RB 26 from Bonn central station or Bad Godesberg to Mehlem, it's a short walk from there; or take the bus 614 from Godesberg Löbestr. to Kortjikerstr.)

About: How did people make fires in the past? When there was no lighter and no matches? We want to try this out today and try to light a fire only with flint and tinder. Through experiments, we investigate why a candle actually burns. Those of you who are very courageous can even try out the art of fire-breathing. *For children aged 6 – 10.*
