

intensive conversations that often lasted into the evening and felt like family reunions, remain unforgettable.

We also say "thank you" on behalf of the school and our volunteers for the long and always good cooperation and are pleased that with Claudia Schütz-Großmann the coordination continues to be in good and competent hands.

## From the projects

In mid-June, we built lovable garbage monsters with children in the Mackeviertel neighborhood management from empty tin cans, outer packaging and a lot of hot glue. Everyone was enthusiastic about it and was happy to take the small works of art home with them.

On Friday, June 28th, Sylvia Schulte-Kellinghaus and Frauke Rheingans represented our organization at the Volunteer Day of the Volunteer Agency of the City of Bonn. They provided advice at a booth to interested individuals who were looking for volunteer work. Despite the heat, many people attended, and a total of 28 conversations were held. We hope that after the summer break, we can welcome many new reading mentors/volunteers to our association.

On July 6th, we will be represented with a booth at the "Tag des kleinen Godesbergers". The children can make flower pots or small cress greenhouses from packaging material. Our booth is located on Theaterplatz near the theater.

From August 12th to 16th, we are offering our holiday project "Wasser ist mehr als nass" in Dransdorf. There will be excursions in the district, along the Rhine, the Sieg, and the Wahnbachtalsperre. Flyers with information are attached, and registrations are now being accepted.

Mrs. Rheingans will be on vacation for three weeks from mid-July. The association's phone will be with Arzu Cetinkaya until then.

After the summer holidays, which start in NRW on Friday, July 5th and last until August 20th, we will accept new children in the "My First Library" project at our partner schools. Experience has shown that it will take a few weeks for the teachers to select the children for the project and for the parents' consent for the children's participation to be obtained.

Around the autumn holidays, all children who are new to the project at the individual schools will receive their book box at a small event, which will hopefully quickly fill up with the books already read in the project.

Volunteers who already read with a child and will continue to do so in the upcoming school year can contact the class teacher during the second week of school to arrange a new reading session
