Newsletter 09 / 2023

Dear friends of Kultur verbindet e.V.,

on September 23, 2023 from noon to 4 p.m. we will celebrate our 15th anniversary at the Salon 53177 in Bad Godesberg (Am Fronhof 1). We have already sent out the invitations by e-mail. Nevertheless, we would like to invite you all once again to come by and celebrate with us.

We will inform you about our various projects and the development of the association's work over the last 15 years. You can exchange ideas with the association's board of directors and our volunteers while enjoying cakes, savoury snacks and drinks. At our book table we will give away children's books in return for a donation.

For children, we have various creative activities such as painting porcelain cups, making stress balls or making their own buttons.

We would also be very happy about any contribution to the buffet, either in the form of a cake or a hearty snack (vegetarian dishes only, please).

From our projects

In the second week of the autumn holidays, we will offer three excursions for children and their reading mentors or parents. We will go to the Siebengebirge, to the Rolandseck Wildlife Park and to a farm near Bonn. Information on this can be found in the appendix to this newsletter. At our anniversary celebration you can find out more about these day trips and also register your child.

Our new EMIs Kinderseite (online magazine for children) is here! This time it's all about the future. What will it look like? How will we live in 30 or 50 years? How will the environment have changed as a result of climate change? What technical developments have there been? Christine, Verena, Frauke and David have put together many interesting things on these topics. The current edition of EMIs Kinderseite ("Future") is attached to this newsletter as a pdf file. For the first time, we have also had the EMI edition printed as a brochure. And two other editions too: Heroines and Heroes and Wild Animals in the City. We will give these out at our celebration and you can take the magazines home with you to enjoy.
